

March 17, 2020

Hello FWA Church Family,

Due to public health concerns and the mandate from our government leaders, the church leadership team has made the decision to honor their request and suspend ALL in-person activities/services, this includes outside groups, beginning Wednesday, March 18 through March 28<sup>th</sup>. We will make a decision about Sunday, March 29<sup>th</sup> by Wednesday, March 25<sup>th</sup>. Sunday Service, March 22, 2020 will be live stream only!

This is definitely uncharted territory for me as a pastor, and for us as a church. We are attempting to walk this out with wisdom and discernment doing all we can to honor God and serve the family of God in the best and most effective way.

If you find yourself with extra time, consider taking the time to pray, read your Bible, listen to worship music, call or text your neighbors, be great neighbors and stay healthy. If you are healthy and able, don't just do nothing, be the church and, Love God, Love People & Serve Your World. Let's make Jesus famous in our communities! I believe God will do great things through this unfortunate time in our history.

***Ephesians 5:15-17; "Look carefully then how you walk, not as unwise but as wise, <sup>16</sup> making the best use of the time, because the days are evil. <sup>17</sup> Therefore do not be foolish but understand what the will of the Lord is."***
